How To Enter

- 4. NO PURCHASE NECESSARY. Purchase is not required to enter the Contest and will not improve your chances of winning.
- 5. There are two (2) manners to participate in the Contest, by purchasing an eligible product and submitting your Receipt ("as defined below"), or by submitting a No Purchase Entry. To enter via either method of entry, take the following steps during the Contest Period to receive one (1) entry into this Contest, subject to these Rules, and a chance to win one (1) of the Contest prizes (each a "Prize", collectively the "Prizes" as further described below):
 - a) Purchase Entry. To enter by making a purchase, you must purchase one (1) of the qualifying Sponsor products from a retailer in Canada during the Contest Period; A qualifying product must be purchased to receive an entry. A list of qualifying products is shown in Exhibit A (each, a "Qualifying Product"). Once you have purchased a Qualifying Product, retain and scan your purchase Receipt. Your scanned Receipt must show the retailer from whom the purchase was made, the date, and the Qualifying Product ("Receipt"). Visit the Contest website at www.KitKat.ca/breakaway (the "Website") and follow the onscreen instructions to submit your Receipt, together with information including your name, email address, phone number, and postal code. You may also text the keyword BREAKAWAY to 811811 to receive a link to the Website.

Once you have submitted your Receipt, the Contest Administrator will review it for compliance with these Rules, which decision is subject to further review in accordance with these Rules. If the Receipt is verified, you will receive one (1) grand prize entry ("Grand Prize Entry"), and an email with one (1) unique gameplay code ("Code") will be sent to the email address you provide, which you may use for a chance to win Instant Win prizes. Take your Code to madewithnestle.ca/Instant-Win-EN and follow the onscreen instructions to submit your email address and Code for a chance to play the Shoot the Puck Instant Win game ("Game") for a chance to win an Instant Win prize. Complete the Game to see if you are a potential winner of an Instant Win prize, subject to further conditions (See Rule 20).

Entry Limit. Limit of three (3) Contest Entries per day. Each Receipt qualifies as one (1) Contest Entry, regardless of the number of Qualifying purchases on any one (1) Receipt and regardless of the email address, telephone number, or other information provided in the Entry Form. Once a Receipt has been submitted, any additional entries using such Receipt in excess of this limit will be disqualified and will not constitute eligible entries in the Contest. Further, if any entrant attempts to obtain more than the specified number of entries, the Sponsor may, in its sole and absolute discretion, disqualify the entrant from the Contest and disqualify all of that entrant's entries.

Important Note: You must keep your original Receipt(s). The Sponsor or the Contest Administrator may request to see it to verify that you are eligible to participate in the Contest. If you are unable to produce your original Receipt on request by the Sponsor or Contest Administrator, you may be disqualified, in the sole and absolute discretion of the Sponsor or Contest Administrator, and if disqualified, will forfeit any right to claim a Prize.

- b) No Purchase Entry. To enter without making a purchase, visit madewithnestle.ca/AMOE-EN and follow the onscreen instructions to begin your registration. You will be required to submit a minimum 150 word essay on "Why you love KITKAT" and provide information including your name, email address, phone number, and postal code. You will receive one (1) Grand Prize Entry, and an email with one (1) unique gameplay Code viathe email address you provide, which you may use for a chance to win Instant Win prizes. Take your Code to madewithnestle.ca/Instant-Win-EN and follow the onscreen instructions to submit your email address and Code for a chance to play the Game for a chance to win an Instant Win prize. Complete the Game to see if you are a potential winner of an Instant Win prize (See Rule 20).
- c) Limit of one (1) No Purchase Entry per day.
- 6. By participating through either method of entry, you agree to these Official Rules and to the decisions of the Sponsor and Contest Administrator, which are final and binding in all respects.

- 9. All entries are subject to verification at any time. The Sponsor reserves the right, in its sole and absolute discretion, to require proof of identity and/or eligibility from any entrant, including without limitation the original Receipt submitted with a purchase entry, which proof shall be in the form required by the Sponsor. Failure to provide proof of identity and/or eligibility to the satisfaction of the Sponsor in a timely manner may result in disqualification.

How Prizes are Awarded

Grand Prize:

- 17. A random draw (a "**Grand Prize Draw**") to award the Grand Prize, subject to these Rules (including the verification and skill-testing question requirements), will be held on January 4, 2021 at approximately 2:00 PM ET in Toronto, Ontario Canada from all eligible Contest entries received during the Contest Period. One (1) potential winner will be randomly selected in the Grand Prize Draw for the Grand Prize available to be won. The Grand Prize Draw will be conducted by the Contest Administrator.
- 18. The potential winner of the Grand Prize will be notified initially by email beginning within five (5) days of the date on which his/her entry was selected as a potential winner. If the Contest Administrator is unsuccessful in its attempts to reach and communicate directly with a potential winner by email after three (3) attempts over a three (3)-day period to the email address listed in that potential winner's Entry Form, then, at the Sponsor's sole and absolute discretion, that potential winner may be disqualified without liability to the Sponsor. In the event of such a disqualification, an alternate potential winner will be selected from among the remaining eligible entries, either through a process similar to the one that selected the original potential winner or through a random draw, the exact process to be determined by the Sponsor in its sole and absolute discretion, subject to these Rules. Through the winner notification process, the potential winner must confirm his/her eligibility and indicate his/her willingness to accept the applicable Prize. The potential winner will then receive official notification via email or certified or overnight mail delivery. No communications will be entered into other than with the potential winners.

Instant Win prize:

- 19. Each day during the Contest Period, two (2) Instant Win prizes will be available to be won. A random date and time combination will be selected at the outset of this Contest using a computerized randomizer program for each Instant Win prize available to be won (each, a "Winning Time"). The first eligible code to be received following each random computer-generated Winning Time will receive the winning Instant Win prize message and corresponding fulfillment instructions until all the Prizes are claimed, which can extend beyond the Contest Period. Limit one (1) Instant Win prize per person per day.
- 20. If due to production, online, internet, computer or other error of any kind, more Instant Win prizes, in any Category, are claimed than intended to be distributed or awarded according to these Rules, then, the Sponsor reserves the right, in its sole and absolute discretion, to rescind invalid Prize claims and/or conduct a random draw from amongst all eligible Prize claimants to award the correct number of Instant Win prizes in each Category. In no event will the Sponsor be liable for more than the number of Instant Win prizes in any Category as stated in these Rules.
- 21. The Sponsor and/or its representatives may respond to entrants or otherwise engage with Contest participants during the Contest Period, but such interactions will have no impact on the process through which Prizes are awarded in accordance with these Rules.
- 22. Instant Win prize Notification: Before playing a Game Code, each entrant will need to confirm:
 - (a) compliance with these Rules.

- 23. Once you play your Game Code, you will be informed whether you have been selected as a potential Instant Win prize Winner, and each selected entrant will be required to:
 - (a) answer a mathematical skill-testing question before being confirmed an Instant Win prize Winner.

Declaration and Release and Skill-Testing Question

- 24. Before being confirmed as a winner of the Grand Prize, the potential Grand Prize winner must complete and return, within ten (10) days of date of receipt, a Declaration and Release Form (the "Declaration and Release"), which (among other things):
 - (a) confirms compliance with these Rules;
 - (b) acknowledges acceptance of the Prize as awarded;
 - (c) releases the Contest Entities and each of their respective officers, directors, employees, agents, representatives, successors and assigns (collectively, the "**Releasees**") from any and all liability in connection with this Contest, the potential winner's participation therein and the awarding and use/misuse of the Grand Prize or any portion thereof; and
 - (d) confirms the potential winner's consent to the publication, reproduction and/or other use of his/her name, address, voice, statements about the Contest and/or photograph and/or other likeness without further notice or compensation, in any publicity or advertisement carried out by or on behalf of the Sponsor in any manner whatsoever, including, without limitation, print, broadcast and the Internet.
- 25. Further, prior to being confirmed as a winner of the Grand Prize, each potential winner must also correctly answer a mathematical skill-testing question, which may be contained in the Declaration and Release at the discretion of the Sponsor, without assistance of any kind, whether mechanical, electronic or otherwise.
- 26. If a potential winner fails to return the properly executed Declaration and Release within the specified time period, the Sponsor may, in its sole and absolute discretion, disqualify the potential winner, thereby forfeiting any and all rights the potential winner may have to the Grand Prize. In the event of such a disqualification, an alternate potential winner may be selected from among the remaining eligible entries, either through a process similar to the one that selected the original potential winner or through a random draw, the exact process to be determined by the Sponsor in its sole and absolute discretion, subject to these Rules.
- 27. If a selected potential winner does not meet the eligibility requirements, does not correctly answer the mathematical skill-testing question, does not complete and return the Declaration and Release, is unable or unwilling to accept the Prize as offered or elects to decline the Prize, he/she may be disqualified at the sole and absolute discretion of the Sponsor and an alternate potential winner may be selected from among the remaining eligible entries, either through a process similar to the one that selected the original potential winner or through a random draw, the exact process to be determined by the Sponsor in its sole and absolute discretion, subject to these Rules. Any disqualified winner will not receive any alternate prize, substitution or compensation.
- 28. Upon satisfaction of all requirements of these Rules, including, without limitation, receipt of the completed Declaration and Release, winners will be contacted to make further Prize delivery arrangements.
- 29. Please allow six (6) to eight (8) weeksfor delivery of any Prize.

Entries by any means which subvert the entry process will be void. Any entry form that is determined by the Sponsor, in its sole and absolute discretion, to have failed to have been fully completed and submitted during the Contest Period will be rejected.
